Dear Colleague

Re: PROSPER Learning Trust-Consultation for the proposal to open a new special free school for children with Social Emotional and Mental Health (SEMH) needs and autism in Northumberland – Gilbert Ward Academy

In May 2020 the Department for Education approved our application to move forward to the pre-opening phase of a new special free school in Northumberland for children aged 11-16 with Social Emotional and Mental Health (SEMH) needs and autism. The school will be called Gilbert Ward Academy.

We are now entering the next phase of this exciting journey and we are looking to create a new school which will prepare pupils for new and exciting learning opportunities. The education offer will be varied, have a focus on ensuring children are exposed to a rich and varied curriculum that meets all individual needs. The overarching aim will be to engage all pupils in their learning.

Under section 10 of the Academies Act 2010 the Trust is required to consult with stakeholders on our proposals for the new school and as a result this letter and its supporting literature outline two key areas of our consultation activity:

1. Further detail on where and how you can find out more about our proposed new free school
2. Planned events and activities to encourage feedback on our proposals, particularly with regards to whether you believe the Secretary of State should enter into a funding agreement with the Trust to open the proposed new school

As a key stakeholder in the process we would be keen to hear your views on the proposal and answer any questions you may have. All information you supply will be treated as confidential unless you volunteer your personal details and request a response to a query and/or would like a copy of our final report and findings sending to you on conclusion of the statutory consultation.

How do I find out more?

Enclosed with this letter is a consultation leaflet which shares further detail on our vision for the school, our education offer and statement of provision (admissions policy) as well as detail on our proposed site for the new school.

There are a number of events and meetings taking place which you would be most welcome to attend (virtually or in person). To find out more please log on to <https://www.prosperlearningtrust.co.uk/gilbertwardacademy-consultation/> for a copy of the latest schedule. When do I need to feedback by?

Ongoing communications about the school will be kept up to date on our website www.prosperlearningtrust.co.uk
